OFFICE OF THE PROVOST

PHILADELPHIA, PA 19141 • (215) 951-1015 • FAX (215) 951-1785

TO: All Faculty

FROM: Richard A. Nigro, Provost

DATE: October 10, 1997

I write to ask for your help.

When the Academic Calendar for 1997-98 was drafted, the due date for Fall Semester grades was set for January 2, 1998. After that date was established, the University published the staff holiday schedule and included January 2 in the Christmas holiday. This meant that the grades due date had to be moved to January 5, 1998.

The Registrar has pointed out that this creates a significant problem in getting grade reports to students in a timely manner. For some students, this can cause problems in registering for the Spring Semester (in-person registration starts on January 5). For other students, for example those whose employer tuition reimbursement depends on receipt of a grade report, our schedule may cause more than a minor inconvenience. More broadly, we do have an obligation to report grades to students as promptly as careful consideration of their work allows.

I have discussed this matter with the Council of Deans and the Executive Committee of the Faculty Senate. They have concurred in this request for your assistance in trying to minimize the time required to get reports sent to our students. Accordingly, I am asking that, wherever possible, you turn in final grade reports on Monday, December 22, 1997. If you cannot be on campus that day but have access to a fax machine, you can send your grade reports to the Registrar's Office at (215) 951-1785.

If you cannot complete grades by December 22, but can complete them anytime before January 5, you can still help by faxing them to the Registrar's Office or bringing them to the Campus Mail Room whenever they are ready. Your ID card will allow you access to the Mail Room lobby where you can put your reports in the campus mail slot.

This is an unusual and unexpected set of circumstances in our calendar. We will be alert to avoid this kind of problem in the future. In the meantime, we will appreciate any help you can give in providing timely grade reports for our students.

Thank you.

What matters... is not whether God  
can be God without our worship.

What is crucial is whether humans  
can survive without  
worshipping. To withhold acknowledgment,  
to avoid celebration, to stifle gratitude, may  
prove as unnatural as holding one's breath.

**Re: Spring Requisitions**

***Textbook requisition forms for the Spring 1998 semester are being forwarded to your department chairperson. We request that the completed forms be returned to us by October 24, 1997. Please keep in mind that we establish this date to allow time to organize our buy-back which is December 15th to 19th and to process orders to the publishers prior to Thanksgiving. The time between the close of Fall classes and the start of Spring classes is short. We are asking for your cooperation so that we may place our orders early and avoid out of stock problems that arise with late orders.***

***It is important that all requested information be provided including course name, course number, section and ISBN #. Please take care when completing the forms. If you are unable to locate the ISBN or other information, please indicate this on the form and we will find it for you. If you have the information available, please share it with us. Please send a requisition for DAY sections and each EVENING section of courses taught. If no text is required, state "NO TEXT REQUIRED". If one of your courses is a continuation and the students have the text please mark form "STUDENTS HAVE TEXT". This improves the accuracy of our booklist and reduces confusion among students. Please forward the white requisition copy to us.***

***If you are using a packet of duplicated pages to be sold in the Campus Store for your class, please note this on your requisition so that a shelf is reserved. Recent legal opinions indicate that all such packets must have copyright permission unless they are your original work. There are exceptions which allow photocopying without permission, but the sale of the material in the store will not comply with the AAP guidelines for these exceptions. If you need more information about copyrights, please contact the Textbook department. Your cooperation will be appreciated. Our assistance is always available.***

## **PLEASE HELP STUDENTS AVOID A REGISTRATION NIGHTMARE**

LA SALLE UNIVERSITY REQUIRES PROOF OF MEASLES IMMUNIZATION AS RECOMMENDED BY THE PENNSYLVANIA DEPARTMENT OF HEALTH AND THE AMERICAN COLLEGE HEALTH ASSOCIATION IN ORDER TO PREVENT A MEASLES EPIDEMIC.

Students new to La Salle University this fall are required to complete a Health History Form with documentation of receipt of two doses of live measles vaccine after their first birthday in order to be cleared for second semester registration.

When we recently updated the data to determine those students who had either not returned the form at all or who were not in compliance, we found the total number to be well over **three hundred students**. These students have been notified by mail at their home address, but in addition we are asking your help to encourage awareness so we don't have a last minute administrative crisis for so many students.

**Next week October 12<sup>th</sup> through the 18<sup>th</sup> is National Adult Immunization Awareness Week.**

Student Health will provide MMR (measles, mumps, and rubella) vaccination for any student who needs the vaccine at a cost of \$30.00 which can be paid by cash, check, or Gold Card.

We will also be providing FREE flu shots and Hepatitis B vaccines will be available at cost.

Thanks for your help with this important public health issue.
